I understand that a swim test is required of all students, which consists of swimming 50 yards in sailing clothing and footwear. Students WILL GET IN THE WATER. I understand that I must provide a properly fitted life jacket for my son/daughter.

I assume full responsibility for any loss or damage, that may come to any person, boat, equipment, pier, float, or other property used in conjunction with this course as the result of improper use, negligence, violation of the rules, and other acts of sailors, or other representatives of the school, instructional program or host location in connection herewith. I accept what the sport of sailing and the conduct of this course entail and are subject to certain inherent risks and assume all risks, on land and on the water, of participation in this program. I further agree to hold Planet Hope Land and Sea, The Sailing Academy, Herrington Harbour Marinas and their representatives harmless for personal injuries and or property damage.

Small Boat Sailing Camps

Cruising Camps (overnight)

We are glad that your son/daughter will be sailing with us this summer. Please review the following information:

What To Bring To Sailing Camp:

- **A Correctly Sized Life Jacket (very important!)**
We recommend a comfortable fitting Type III life jacket in good condition (best to buy new). Life jackets are required and will be worn while out in the boats. Each student must bring his/her own.
- **Shoes**
No flip flops, sandals or bare feet allowed on the boats or in the water. Closed shoes are required because students will be getting in and out of the boats in the water and will need to walk safely on the sea bed and on wooden docks. Shoes will be worn in the water!
- **A Bag Lunch Each Day**
We will be taking a lunch break each day and there are limited facilities to buy food during camp.
- **Correct Forms**
Due to insurance and state regulations, students without completed and turned in Registration Form and Health History Form will not be able to participate.
- **Comfortable clothes**
We recommend T-shirt, shorts and a change of clothes. Students will get wet!
- **Other Items that may be helpful:**
Towel, sun glasses, sunscreen, hat, waterproof camera

Weather Policy:

We usually do not cancel Sailing Camps for the weather. Please come even if the forecast is not the best. We will not take young people out in dangerous weather and have alternate land activities for such cases.
